

Clinton County Highway Committee

Minutes

August 6, 2020 – 7:30 a.m.

1. Attendance:

Bryan Wessel	Committee Chairman
Jim Rakers	Committee Member
Jim Sullivan	Committee Member
Bob Fix	County Board Chairman (Via Turbobridge)
Dan Behrens	County Engineer
Terri Reed	
Robert Reed	

2. Mr. Sullivan made a motion to approve the minutes from the July 2, 2020 Highway Committee Meeting. Mr. Wessel seconded the motion. The motion passed.
3. Terri and Robert Reed addressed the Committee. They would like an additional entrance from Diamond Springs. Due to the physical limitations of their property it would be nearly impossible to access a shed/garage they wish to build. The Committee did not object to this request.
4. Mr. Behrens told the Committee that they will be replacing pavement on Walnut Street in Breese. They are able to do this because of temporary traffic signals being used by IDOT's bridge painting contractor.
4. The Committee discussed potential REBUILD Illinois projects. In the coming months they will decide where to spend these funds.
5. Mr. Behrens told the Committee that they will open tractor bids on August 28th.
6. Mr. Behrens told the Committee they repaired the paver as they cost of a different one or rental would far exceed the repair costs.
7. Mr. Behrens told the Committee they are trying to get a new estimate to relocate power line along St. Rose Road so shoulders can be widened.
8. Mr. Behrens told the Committee that the two resurfacing projects have not started. Possibly they may start near the first of September depending upon the contractor obtaining railroad insurance.
9. No other business
10. The Committee approved the current bills.
