Board members Absent: David Munz

County Board members in Attendance:

Bob Netemeyer
Deb Wesselmann

Others: Cheryl Lee, Administrator; Marian Voss

Call to Order – Meeting was called to order by Stephanie Pitt at 5:30 p.m.

Hearing from the Public –

JoAnne Hollankamp spoke on behalf of the city of Carlyle to offer the property on the square and the Bittle property. Carla Stalnaker, Charlie Hilmes, and Bill Richter spoke regarding location of the building.

Building –

There was discussion on the location of the building. The focus was kept on the building and not the services to be offered. Those are two separate issues. HSHS has offered land donation. Korte Luitojohan still has property for \$290,000 in Carlyle. The city of Carlyle still offered the donation on the square but indicated since the health department did not think it would work, due to size of lot and building design in addition to parking issues. The property across the street, known as the Bittle property, was available, but would need to be demo and there was a phase II environmental study indicating contamination.

The board listened to the public and discussed the public health reasons, issues, mission, and goals that would need to drive the location of the building. The board created two committees to look at the services and the building. The building committee will be made up Michelle, Stephanie, and Rafael. The services committee will be Dr. Ducomb, Stephanie, and Terry. These committees will meet.

Meeting was adjourned.
