CLINTON COUNTY GIS COMMITTEE
MEETING MINUTES

May 14, 2019 – 5:15 PM

A regular meeting of the Clinton County GIS Committee was called to order on Tuesday, May 14, 2019 at 5:15 PM.

Roll Call: Chairman Craig Taylor, Rafael Him, Bob Fix, Dennis Middendorff, and Jay Donnelly

Motion to approve minutes by Rafael, seconded by Dennis. Approved.

Expenses were submitted and approved by the committee.

The GIS Coordinator distributed a handout regarding upgrading the 911 GIS database to the state compliant NG911 format. All the data will need to be converted and the units will need to be changed from feet to degrees lat/long.

A discussion was held on measuring the activity of our online mapping GIS website. Jay agreed to contact the vendor and request an update on the metrics of the website.

Jay was asked for an update regarding drainage at the county farm. Jay informed the committee that his feedback from the highway department was that they would handle this internally.

The GIS Coordinator worked on subdivisions, enterprise zone, addresses, mapping variances, and mapping building permits this past month.

The next meeting date is June 11 at 5:15 PM. Motion to adjourn by Rafael, seconded by Dennis. Approved. Meeting adjourned at 5:45 PM.

Jay Donnelly
