

PUBLIC HEALTH ADMINISTRATOR

The Clinton County Board of Health is searching for a full-time public health administrator. The Clinton County Health Department is located in Carlyle, Illinois, approximately 50 miles east of St. Louis. The department provides services including WIC, Family Case Management, Emergency Preparedness, Lab Services, Immunizations and Pandemic Response. This is a salaried position with a competitive benefits package.

The Public Health Administrator shall possess, at a minimum, the following education and experience:

- 1) A master's degree in public health from a college or university accredited by the North Central Association or other regional, nationally-recognized accrediting agency and two years of full-time administrative experience in public health;
- 2) A graduate degree in a related field from a college or university accredited by the North Central Association or other regional, nationally-recognized accrediting agency, which may include but shall not be limited to a master's degree in public administration, nursing, environmental health, community health, health education, and two years of full-time administrative experience in public health; or
- 3) A bachelor's degree from a college or university accredited by the North Central Association or other regional, nationally-recognized accrediting agency, and four years of full-time administrative experience, of which at least two years must be in public health.

Interested persons should submit a letter of interest, resume and certified transcripts by October 1, 2020 to: Vicky Albers County Clerk & Recorder, 850 Fairfax Street, PO Box 308. Carlyle, IL 62231.
